HOSPITAL STANDARD USES A LIST OF **SPECIFIC PRIVATE HOSPITALS** AND LINKED FORMULARY OF CHRONIC MEDICATION.

YOU ONLY PAY FOR A MAXIMUM OF THREE CHILDREN. DEPENDANTS WHO ARE FULL-TIME STUDENTS PAY CHILD RATES UP TO AGE 24 YEARS, SUBJECT TO AN ANNUAL REVIEW.

IN-HOSPITAL BENEFITS

This benefit offers cover for major medical events that result in a beneficiary being admitted to hospital. Members have access to cover at a private hospital on the applicable network. Pre-authorisation is required. A co-payment may apply to specific admissions and/or procedures. Managed Care protocols apply.

Please note: On this option you can avoid a 30% co-payment by using a hospital on the applicable network.

- · 1 pap smear every 3 years, for women between ages 21 and 65
- 1 prostate screening antigen test for men between ages 45 and 69
- 1 pneumococcal vaccine every 5 years, for members aged 65 and over
- 1 stool test for colon cancer, for members between ages 50 and 75
- · Covid-19 vaccines and boosters as directed by the National Department of Health

AFRICA BENEFIT

- · In and out-of-hospital treatment covered at 100% of the Bonitas Rate
- · Subject to authorisation

INTERNATIONAL TRAVEL BENEFIT

You must register for this benefit prior to departure

- · Up to R10 million cover per family for medical emergencies when you travel outside South Africa
- · Additional benefit for medical quarantine up to R10 000 per beneficiary if tested positive for Covid-19

MANAGED CARE BENEFITS

We believe in giving you more value. The following benefits are in addition to your day-to-day and other benefits.

CANCER A

- Puts you first, offering emotional and medical support
- Liaises with your doctor to ensure your treatment plan is clinically appropriate to meet your needs
- Access to a social worker for you and your loved ones
- Uses the Bonitas Oncology Medicine Network (20% co-payment applies for use of a non-network provider)
- Matches the treatment plan to your benefits to ensure you have the cover you need
- Uses the Bonitas Oncology Network of specialists

DIABETES MANAGEMENT

- Empowers you to make the right decisions to stay healthy
- Provides cover for the tests required for the management of diabetes as well as other chronic conditions
- Offers access to diabetes doctors, dieticians and podiatrists
- Gives access to a dedicated Health Coach to answer any questions you may have
- Offers a personalised care plan for your specific needs
- Provides education to help you understand your condition better

HIV/AIDS

- · Provides you with appropriate treatment and tools to live your best life
- · Offers HIV-related consultations to visit your doctor to monitor your clinical status
- · Offers access to telephonic support from doctors
- · Covers medicine to treat HIV (including drugs to prevent mother-to-child transmission and infection after sexual assault or needle-stick injury)
- · Covers regular blood tests to monitor disease progression, response to therapy and to detect possible side-effects of treatment
- · Gives ongoing patient support via a team of trained and experienced counsellors
- · Treatment and prevention of opportunistic infections such as pneumonia, TB and flu
- · Helps in finding a registered counsellor for face-to-face emotional support

BACK AND NECK§

- · Offers a personalised treatment plan for up to 6 weeks
- · Includes treatment from doctors, physiotherapists and biokineticists
- · Gives access to a home care plan to maintain long-term results and helps manage severe back and neck pain
- · Highly effective and low-risk, with an excellent success rate
- · We cover the cost of the programme, excluding X-rays
- · Uses the DBC network

HOSPITAL-AT-HOME

- · Care for any acute condition deemed appropriate by your treating provider i.e., pneumonia, Covid-19
- · An alternative to general ward admission and stepdown facilities, allowing you to receive quality, safe healthcare in the comfort of your home
- · Remote patient monitoring including 24/7 vital signs monitoring from our clinical command centre, continuous virtual visits and clinical support, continuous care from a doctor, short-term oxygen (as prescribed) and emergency ambulance services
- · Our hospital setup at home also includes remote patient monitoring, daily visits, laboratory services, blood tests, wound dressings, medication/fluids via a drip, allied healthcare services and physiotherapy (as prescribed)
- · A team of trained healthcare professionals, including skilled nurses, that will bring all the essential elements of hospital care to your home
- · A transitional care programme to minimise re-admissions
- · Hospital-at-Home is subject to pre-authorisation

All benefits and limits are per calendar year, unless otherwise stated. Managed Care protocols apply. Benefits are subject to approval by the Council for Medical Schemes.
