BENEFIT BOOSTER

GET UP TO
R2 070
EXTRA BENEFITS

TO PAY FOR
OUT-OF-HOSPITAL
CLAIMS

WHAT IS THE BENEFIT BOOSTER?

It's an extra out-of-hospital benefit amount in addition to your day-to-day or savings amount, that you get after completing an online wellness questionnaire and/or wellness screening. Once activated, out-of-hospital claims like GP visits, over-the-counter medicine, X-rays and blood tests will then first pay from the available Benefit Booster amount – helping your day-to-day benefit/savings last longer.

Annual amount available per family

IF YOU ARE ON	YOUR BENEFIT BOOSTER AMOUNT
BonClassic	R2 070

HOW TO ACTIVATE IT

Complete an online wellness questionnaire (on the Bonitas app or website) or wellness screening (at a participating pharmacy, biokineticist or Bonitas wellness day).

Ts & Cs apply. Child dependants can access the Benefit Booster once an adult beneficiary has completed a wellness screening or online wellness questionnaire.

(All claims are paid at the Bonitas Rate)

MOTHER & CHILD CARE

MATERNITY CARE

- 12 antenatal consultations with a gynaecologist, GP or midwife

CARE PROGRAMMES

MENTAL HEALTH

- Available to members who suffer from depression, anxiety, post-traumatic stress disorder and alcohol abuse, limited to R13 850 per beneficiary
- Access to a Care Manager who will work with you, your treating doctor and where appropriate, with other healthcare professionals to assist in improving your condition
- Your Care Manager will help you understand the importance of preventative care and the use of wellness benefits as well as resolve queries related to any other health condition
- Provides educational material on mental health which empowers you to manage your condition
- A digital platform designed to give members easy access to mental health information, community support and expert help
- Primary care support through a GP and assistance to facilitate enrolment on the programme

CANCER

- Puts you first, offering emotional and medical support
- Liaises with your doctor to ensure your treatment plan is clinically appropriate to meet your needs
- Access to a social worker for you and your loved ones
- Uses the Bonitas Oncology Medicine Network (20% co-payment applies for use of a non-network provider)
- Matches the treatment plan to your benefits to ensure you have the cover you need
- Uses the Bonitas Oncology Network of specialists

DIABETES MANAGEMENT

- Empowers you to make the right decisions to stay healthy
- Provides cover for the tests required for the management of diabetes as well as other chronic conditions
- Offers access to diabetes doctors, dieticians and podiatrists
- Gives access to a dedicated Health Coach to answer any questions you may have
- Offers a personalised care plan for your specific needs
- Provides education to help you understand your condition better
- Includes two consultations with a Diabetes Nurse Educator to provide specialised diabetes care (NEW)

BACK AND NECK

- Assessment of back and neck pain to determine the level of care required before surgery to give you the best outcome
- Offers a personalised treatment plan for up to 6 weeks
- Includes treatment from doctors, back and neck physiotherapists and/or biokineticists
- Gives access to a home care plan to maintain long-term results and helps manage severe back and neck pain
- Highly effective and low-risk, with an excellent success rate
- We cover the cost of the programme, excluding X-rays
- Uses the DBC network

CARE PROGRAMMES

HOSPITAL-AT-HOME

- Care for any acute condition deemed appropriate by your treating provider i.e., pneumonia, Covid-19
- An alternative to general ward admission and stepdown facilities, allowing you to receive quality, safe healthcare in the comfort of your home
- Remote patient monitoring including 24/7 vital signs monitoring from our clinical command centre, continuous virtual visits and clinical support, continuous care from a doctor, short-term oxygen (as prescribed) and emergency ambulance services
- Our hospital setup at home also includes remote patient monitoring, daily visits, laboratory services, blood tests, wound dressings, medication/fluids via a drip, allied healthcare services and physiotherapy (as prescribed)
- A team of trained healthcare professionals, including skilled nurses, that will bring all the essential elements of hospital care to your home
- A transitional care programme to minimise re-admissions
- Hospital-at-Home is subject to pre-authorisation

NEW

FEMALE HEALTH

- Accessible to all female members aged 18 and above
- Guidance, support, and education led by women's healthcare experts
- Early detection of diseases and seamless access to specialised care
- Proactive support in accessing essential healthcare services
- Promotion of preventative healthcare strategies tailored to women's needs
- Online health assessments tailored to female health concerns
- Empowerment of women to actively manage their health
