for family with
effect from
1 January 2025:
13.8%

flexiFED 4

For 2025, Fedhealth has simplified the way in which members can choose to fund their day-to-day expenses. Our flexi**FED** plans can either be used as hospital plans, but with access to day-to-day back-up savings in case members need it, OR as straightforward savings plans.

- Fedhealth Savings amounts on savings plans have **increased** by 5.2%
- Newborn retinopathy screening benefit
